INDEPENDENT AUDITORS' REPORT

The Board of Commissioners
Harrisonburg Redevelopment
and Housing Authority
Harrisonburg, Virginia

We have audited the accompanying financial statements of the business-type activities which comprise the major fund of the Harrisonburg Redevelopment and Housing Authority as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities which comprise the major fund of the Harrisonburg Redevelopment and Housing Authority at December 31, 2019, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 4 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements.

The accompanying Schedule of Expenditures of Federal Awards, Financial Data Schedule, and other supplementary information as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and the U.S. Department of Housing and Urban Development, are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**INDEPENDENT AUDITORS' REPORT
(CONTINUED)**

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 21, 2020, on our consideration of the Harrisonburg Redevelopment and Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Harrisonburg Redevelopment and Housing Authority's internal control over financial reporting and compliance.

Management Discussion and Analysis (MD&A)

Harrisonburg Redevelopment and Housing Authority December 31, 2019

As management of the Harrisonburg Redevelopment and Housing Authority, we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for fiscal year ended December 31, 2019. We encourage readers to consider the information presented here and in conjunction with the Authority's financial statements.

The Authority's Mission

To promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination; and to foster redevelopment of blighted areas to ensure the economic, social and housing vitality of our community. This is accomplished through the following programs:

- Housing Choice Voucher (HCV)
- Family Unification Program (FUP)
- Rental Assistance for Non-Elderly Persons with Disabilities (NED)
- HUD-Veterans Affairs Supportive Housing (HUD-VASH)
- Mainstream Voucher Program (MS5)
- Project Based Housing, Franklin Heights LLC
- Project Based Housing, Commerce Village LLC
- Community Development Block Grant Funds
- Section 8 New Construction (JR "Polly" Lineweaver Apartments)
- Lineweaver Annex Apartments (LIHTC)
- Service Coordinator Grant Funds
- Family Self-Sufficiency Grant Funds (FSS)
- Continuum of Care (COC), HMIS Grant Funds
- Virginia Homeless Solutions Program, VHSP Grant Funds
- Local Community Development/Business Activities
- Shenandoah Housing Corporation
- Lineweaver Annex Corporation
- 150 South Main/Children's Museum
- Commerce Village Management, LLC

Program services are provided under the following philosophy: to treat all individuals with respect and dignity, to base all decisions on rational and provable data, and to operate with efficiency in the delivery of all services.

Financial Highlights

- The assets of the Authority exceeded its liabilities by \$8.6M.
- The Authority's net position decreased by less than 10%.
- The revenue income decreased less than 1%.
- The expenses of the Authority increased less than 2%.

Our analysis begins by determining if the Authority is financially better or worse off as a result of this year's activities. We believe that improvements made through purchasing and renovating our assets and the overall operations of the Authority in general do show that we are better off than we were a year ago. However, with the uncertainty of federal support from HUD for the Housing

Choice Voucher Program, it continues to be a challenge to manage the program with the appropriate staff needed without the appropriate financial support.

There are three types of financial statements used to help analyze the financial status of the Authority as one entity-wide organization

- Statement of Net Position - **reports the assets and liabilities, with the difference between the two reported as net position**
- Statement of Revenue, Expenses and Changes in Fund Net Position - **reports the operating and non-operating revenue by major source along with operating and non-operating expenses, with the difference between the two reported as a profit/loss**
- Comparison of Budget versus Actual - **reports the actual operating revenues and expenses versus the budgeted amounts**

The liabilities increased in JR "Polly" Lineweaver Apartments due to the borrowing of funds for the purchase of solar panels and new elevator installation through VCC. The liabilities decreased in Franklin Heights due to paying down debt.

The revenue decrease in the Housing Choice Voucher Program was due to a decrease in HAP funds. The revenue increased in Franklin Heights due to more rental income. There was an overall increase in revenue for the Local Community Development due to the receipt of additional grant funds.

The expenses increased in Housing Choice Voucher Program due to the increase in spending on HAP funds. The decrease in expenses for Franklin Heights was due to an overall decrease in the maintenance expenses including salaries and contract costs.

The income and expenses were within budget in most of the areas for the Housing Choice Voucher Program and JR "Polly" Lineweaver Apartments.

The Local Community Development shows an under budget amount for Other/Miscellaneous. This was due to a decrease in the application fees for the bond issuance program and decreased developer's fees.

The income for Component Units-Blended-Franklin Heights was over budget due to more rent collected, because of less turnovers, which then resulted in less maintenance materials and contract costs.

Component Units-Discretely Presented did show more income than was budgeted due to the Other/Miscellaneous Income which can vary from year to year. The Component Units-Discretely Presented shows an over budgeted amount in most categories, however, the amounts over were insignificant in each category.

Capital Asset and Long-Term Debt Activity

Planned initiatives which will impact the Authority's financial status include:

- Initiation of an affordable homeownership program
- Develop permanent supportive housing units specifically targeted for the veterans, homeless, aging out foster youth, victims of domestic violence and Developmental Disabled and Intellectual Disabled within the Department of Justice settlement with the Commonwealth
- Replace roofs on project based housing units (10-15 units per year)
- Upgrade Franklin Height's security system
- Development of an exterior renovation and new roof plan to replace exterior Fascia siding and address the need for roof replacement for the Lineweaver Annex Apartments
- Pavement of parking lots behind the Lineweaver Annex Apartments

The Authority will continue to seek grant funds in partnership with other community agencies to address gaps and needs in our local community and to identify additional resources that will assist Authority's residents in becoming more financially self-sufficient.

- c. Measurement Focus, Basis of Accounting, and Financial Statement Presentation – The financial statements of the Housing Authority have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Authority is a Special Purpose Government entity engaged only in business-type activities and therefore, presents only the financial statements required for the enterprise fund, in accordance with GASB 34.

The Authority has multiple programs which are accounted for in one enterprise fund, which is presented as the “enterprise fund” in the basic financial statements as follows:

Enterprise Fund – In accordance with the Enterprise Fund Method, activity is recorded using the accrual basis of accounting and the measurement focus is on the flow of economic resources. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. This required the Housing Authority to account for operations in a manner similar to private business or where the Board has decided that the determination of revenues earned, costs incurred and/or net income necessary for management accountability.

Enterprise funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of all the Authority's enterprise funds are governmental grants used for maintaining and operating low income housing assistance programs. Operating expenses for these enterprise funds include administrative expenses, utilities and maintenance of housing units and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2019

Note 1: Basis of Accounting

The accompanying Schedule of Financial Assistance is prepared on the accrual basis of accounting. The information on this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Authority.

Note 2: Major Programs

The (*) to the right of a CFDA number identifies the grant as a major federal program as defined by the Uniform Guidance.

Note 3: Award Balance

On the Section 8 Vouchers/Certificate programs, the Authority receives annual funds based on an annual estimate of need. Unexpended grant funds are available to meet subsequent year HAP shortfalls.

Note 4: Program Costs

The amounts shown as current year expenditures represent only the federal portion of the actual program costs. Actual program costs, including the housing Authority's portion, may be more than shown.

Note 5: Indirect Cost Allocation

The Authority has not elected to use the 10-percent de minimus indirect cost rate as allowed under Uniform Guidance.

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Harrisonburg Redevelopment and Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Harrisonburg Redevelopment and Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Harrisonburg Redevelopment and Housing Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, Harrisonburg Redevelopment and Housing Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs identified above for the year ended December 31, 2019.

Other Matters

The results of our auditing procedures disclosed other instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance. Our opinion on each major federal program is not modified with respect to these matters.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE
(CONTINUED)**

Response to Findings

Harrisonburg Redevelopment and Housing Authority's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Harrisonburg Redevelopment and Housing Authority's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Management of Harrisonburg Redevelopment and Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Harrisonburg Redevelopment and Housing Authority internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Harrisonburg Redevelopment and Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Commissioners
Harrisonburg Redevelopment
and Housing Authority
Harrisonburg, Virginia

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Harrisonburg Redevelopment and Housing Authority, which comprise the balance sheet as of December 31, 2019, and the related statements of income (loss) and cash flows to the year then ended, and the related notes to the financial statements and have issued our report thereon on October 21, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Harrisonburg Redevelopment and Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

Response to Findings

Harrisonburg Redevelopment and Housing Authority's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Harrisonburg Redevelopment and Housing Authority's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Harrisonburg Redevelopment and Housing Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
