Admissions and Continued Occupancy Policy

This Admissions and Continued Occupancy Policy defines the Harrisonburg Redevelopment and Housing Authority's (HRHA)'s policies for the operation for the Lineweaver Annex incorporating Federal, State, and Local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 Fair Housing

It is the policy of the Harrisonburg Redevelopment and Housing Authority (HRHA) to fully comply with all Federal, State, and Local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, elderliness, source of income, veteran status, military status, sexual orientation, or gender identity be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the HRHA's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the HRHA will provide Federal, State, and Local information to applicants and tenants at the Lineweaver Annex Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the HRHA office. In addition, written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The HRHA will assist any family that believes they have suffered illegal discrimination by providing copies of the appropriate housing discrimination forms. The HRHA will also assist them in completing the forms if requested and will provide them with the address of the nearest Housing and Urban Development (HUD) office of Fair Housing and Equal Opportunity.

2.0 504 Policy / Reasonable Accommodation

Harrisonburg Redevelopment and Housing Authority (HRHA) is subject to laws governing the rights of disabled tenants, including the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. Section 504 of the Rehabilitation Act mandates that federal fund recipients such as HRHA ensure that their programs are accessible to qualified individuals with disabilities. Section 504 also requires that the HRHA ensure that that no otherwise qualified individual with disabilities will, solely by reason of their disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any federal program or activity. The HRHA aims to eliminate discrimination against persons with disabilities by ensuring accessibility standards are met.

ADA/504 Program Coordinator

The HRHA have designated the Executive Director and the Facilities and Construction Manager as its 504 program coordinators. Their responsibilities include coordinating the agency's efforts to comply with the American with Disabilities Act and Section 504 of the Rehabilitation Act through overseeing

ongoing compliance efforts.

Reasonable Accommodation

Individuals with disabilities may need a reasonable accommodation order to take full advantage of the HRHA housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the HRHA will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the HRHA will ensure that all applicants and tenants are aware of the opportunity to request reasonable accommodations.

2.1 Communication

Anyone who requests an application and needs a reasonable accommodation will be assisted by staff to complete the application and the Request for Reasonable Accommodation form.

Notification of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 Questions to Ask in Granting the Accommodation

- Is the requestor a person with disabilities? For this purpose, the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:
 - A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).
 - If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the HRHA will obtain verification that the person is a person with a disability.

- Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the HRHA will obtain documentation that the requested accommodation is needed due to the disability. The HRHA will not inquire as to the nature of the disability.

- Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

- Would the accommodation constitute a fundamental alteration? The HRHA’s business is housing. If the request would alter the fundamental business that the HRHA conducts, then the request would not be reasonable. For instance, the HRHA would deny a request to have the HRHA do grocery shopping for a person with disabilities.
- Would the requested accommodation create an undue financial hardship or administrative burden? Frequently, the requested accommodation costs little or nothing. If the cost would be an undue burden, the HRHA may request a meeting with the individual to investigate and consider equally effective alternatives.
- Generally, the individual knows best what it is they need; however, the HRHA retains the right to be shown how the requested accommodation enables the individual to access or use the HRHA’s programs or services.

If more than one accommodation is equally effective in providing access to the HRHA’s programs and services, the HRHA retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the HRHA if there is no one else willing to pay for the modifications. If another party pays for the modification, the HRHA will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the HRHA will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved (i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.).

3.0 Services for Non-English Speaking Applicants and Residents

The Harrisonburg Redevelopment and Housing Authority (HRHA) will endeavor to have bilingual staff or access to people who speak languages other than English in order to assist non-English speaking families. The following languages will be covered:

Spanish

4.0 Outreach

The Harrisonburg Redevelopment and Housing Authority (HRHA) will publicize the availability and nature of the Lineweaver Annex Program for low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the HRHA will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The HRHA will also try to utilize public service announcements.

The HRHA will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Lineweaver Annex Program.

5.0 Right to Privacy

All adult members of both applicant and tenant households are required to sign a *Government Data Collection and Dissemination Practices Act Letter*. The Authorization for Release of Information states how family information will be released. Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 Required Postings

In each of its offices, the Harrisonburg Redevelopment and Housing Authority (HRHA) will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- Statement of Policies and Procedures governing Admission and Continued Occupancy
- Notice of the status of the waiting list (opened or closed)
- A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and resident facilities and operation hours
- Income Limits for Admission
- Current Schedule of Routine Maintenance Charges
- Dwelling Lease
- Grievance Procedure
- Fair Housing Poster
- Equal Opportunity in Employment Poster
- Any current HRHA Notices

7.0 Applying for Admission

It is the policy of Harrisonburg Redevelopment and Housing Authority (HRHA) to ensure that all families who express an interest in Housing Assistance are given an equal opportunity to apply and are treated in a professional and consistent manner.

In this section, we detail policies related to the lifecycle of applications, verification, and final determination of eligibility.

7.1 Overview of the Application Process

New applications are accepted only when the Waiting List is open. Waiting List policies and procedures are detailed in the **Waiting List** section. At a minimum, the status of the Waiting List will be conspicuously posted:

- At or near the Lineweaver building at **265 North Main Street, Harrisonburg, VA 22802**
- On HRHA Website at <http://www.harrisonburgrha.com>
- In voice greetings for the main incoming phone line at HRHA

7.1.1 Completing an Application

All families who wish to apply for housing assistance must complete an Application for Housing Assistance at the HRHA website: www.harrisonburgrha.com.

Assistance in completing the application can be provided by appointment during regular business hours at **286 Kelley Street, Harrisonburg, VA 22**

Additional reasonable accommodation will be made for persons with disabilities or other needs upon request. Requests may be made in writing or by calling the main phone number.

A Telecommunication Device for the Deaf (TDD) is configured at:
(540) 568-7386

7.1.2 Submitting an Application

All applications will be completed online through the HRHA website. Assistance in submitting the application will be provided by appointment during regular business hours at 286 Kelley Street, Harrisonburg, VA 22802.

7.2 Application Lifecycle

It is the policy of HRHA to maintain strict control and tracking of all tenant documents, including applications. The Application Lifecycle will involve three key phases:

1. Application for Assistance
2. Information Gathering
3. Verification and Final Determination

7.2.1 Application for Assistance

The Application for Assistance phase involves interested parties applying for housing at www.harrisonburgrha.com. Applications will receive confirmation, via email, when the application is submitted.

7.2.2 Information Gathering Phase

The Information Gathering phase begins upon the family's submission of a completed Application for Assistance.

The application requires the family to provide basic information, including name, address, phone number, family composition, family unit size, racial or ethnic designation of the HOH, and income category. The application will also clearly allow the family to specify and establish any preferences for which they may be entitled. The applicant will also be provided clarification as to how to request accommodation.

The application will remain on file for a minimum of three years.

7.2.1.1 Preliminary Determination of Eligibility

The outcome of the Information Gathering phase will be one of the following two preliminary determinations of eligibility:

1. An eligible family is placed on the Waiting List. HRHA will provide the family written notification of their placement on the Waiting List. If possible, an approximate time before housing assistance may be offered will be provided.
2. An ineligible family is provided a written notice of the determination. The notice will clearly state the reasons for the determination, and the family is given the opportunity of an informal review, as specified in the Housing Choice Voucher administrative plan. The ineligible family is given 10 days to appeal the decision.

7.2.1.2 Applicant Status while on the Waiting List

Applicants are required to respond to HRHA requests for information, updates, and current interest in the program; and to inform HRHA in writing of change in address while on the Waiting List.

If, during the application for assistance phase HRHA determines the family is ineligible while on the Waiting List, the family is provided a written notice of the determination. The notice will clearly state the reasons for the determination, and the family is given the opportunity of an informal review, as specified in the Administrative Plan.

7.2.2 Verification and Final Determination (VFD) Phase

The Verification and Final Determination phase is initiated when the family has reached a position on the Waiting List where it is clear that the family will reach the top of the Waiting List within two months.

The Occupancy Specialist will implement strategies to identify if data will support a reasonable system for estimation of wait times based on Waiting List position or other factors.

7.2.2.1 Verification of Preferences

Upon entry into the Verification and Final Determination phase (see selection from the waiting list section), all claimed preferences will be verified. All preferences claimed on the initial application must exist *both* at the time of application and at the time of verification, as they determine placement on the Waiting List.

The HRHA will perform a pre-interview with the applicant over the phone, through email or by letter to ensure completeness and accuracy of the application data and list and explain the documents the applicant needs to bring to the HRHA.

- Applicants will have ten business days to respond to HRHA requests for information
- Applicants have ten business days to provide the documents as requested
- Extensions may be provided under the discretion of the Occupancy Specialist.
- Failure to meet these requirements may result in removal from the Waiting List

Further intake procedures and verification will not commence until preferences are satisfied.

Documentation requirements for verification of preferences are located in the Verification section.

7.2.2.2 Selection Interview

Once proper verification of the waiting list preferences has occurred, the family will be invited to attend a selection interview explaining how the program works. In order to receive housing, the family is required to attend the selection interview. If they cannot attend the originally scheduled selection interview, the family may, *prior* to the scheduled date, reschedule a selection interview. The family will be responsible to reschedule a selection interview within 10 business days of the originally scheduled date. A selection interview may be rescheduled only once.

A family who fails to show at a selection interview or requests a second rescheduling may be denied admission into housing. In such cases, the family may request an informal review as specified in the Lineweaver Annex Admissions and Continued Occupancy plan.

If an applicant with a disability requires auxiliary aids to gain full benefit from the selection interview, HRHA will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, HRHA will consider the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the selection interview presented at an alternate location.

The following are requirements for the selection interview:

- HOH must attend
- All adult family members must attend *and* sign the Application for Assistance

- Exceptions may be made for:
 - Family members for whom evidence shows it would be a hardship for them to attend
 - Special circumstances as determined by the Housing Manager
- Until the Application for Assistance is signed by all adult members of the household:
 - No housing will be issued

- An expectant person with no other children will qualify for assistance as a family. They will be listed on the waiting list and qualify for admission into housing unless they abort or miscarry prior to voucher issuance. 8.1.2.5.1 Eligibility in Case of a Family Dissolution

The Public Housing Authority (PHA) has discretion to determine which members of an assisted family continue to receive housing assistance if the family breaks up. The administrative plan describes these policies. In the case of dissolution of the family due to actual or threatened physical violence should be reported to HRHA immediately. Survivors will be asked to complete and sign HUD 50066 (HUD VAWA Certification) or otherwise provide supporting documentation in the form of civil protection orders, evidence of criminal charges, trespass notices, etc. HRHA will provide protection to survivors of abuse in accordance with the Violence Against Women Act.

A family may not designate a family member as HOH solely to qualify the family as an elderly household.

The Family Self Sufficiency Program is a voluntary program available to Commerce Village residents. The program is designed to assist families in becoming more self-reliant and independent from all forms of public assistance through a goal identification process use of individualized comprehensive, and coordinated set of services. The family will determine which member will be the participant as defined in the Family Self Sufficiency (FSS) Contract of Participation. See FSS Action plan for additional program eligibility requirements.

8.2 Additional Eligibility and Determination Criteria

8.2.1 Income Limitations

The following income limitations apply to LINEWEAVER ANNEX eligibility:

- Annual Income will not exceed the “Low Income” Limit as established by HUD and published in the Federal Register. Family income cannot exceed 60% income level for the local area.
- Income limits apply only at admission and are not applicable for continued occupancy.
- A family may not be admitted to the LINEWEAVER ANNEX program from another assisted housing program (e.g., tenant-based Section 8) or from a similar program operated by another housing authority without meeting the income requirements of the HRHA.
- Income limit restriction does not apply to families transferring within our LINEWEAVER ANNEX Program.

8.2.2 Live in Attendants

A Family may include a live-in attendant who meets all of the following criteria:

- Has been determined by HRHA to be essential to the care and well-being of the elderly, handicapped or disabled family member

Relatives are not automatically excluded from being care attendants but must meet the definition described above.

Live in attendants cannot be the remaining member of the tenant family if the person they are attending is no longer residing in Lineweaver Annex.

A live-in aide may only reside in the unit with the approval of HRHA. Written verification will be required from a doctor. The doctor must certify that a live-in aide is needed for the care of the family member who is elderly, near elderly, or disabled. Verification must include the hours the care will be provided.

At any time, HRHA will refuse to approve a particular person as a live-in aide or may withdraw such approval if:

- The person commits drug-related criminal activity or violent activity
- The person currently owes rent or other amounts to HRHA or to another PHA in connection with HCV, Lineweaver Annex, or other housing assistance programs under the 1937 Housing Act

8.2.3 Mandatory Social Security Numbers

Families are required to provide Social Security Numbers for all family members age six and older prior to admission, if they have been issued a number by the social security administration.

All members of the family defined above must meet *either* criterion 1 or 2 below:

1. Submit Social Security Number documentation
2. Sign a certification that they have not been assigned a social security number.
 - If the individual is under 18, the certification must be executed by their parent or guardian.
 - If the participant who has signed a certification form obtains a Social Security Number, it must be disclosed at the next regularly scheduled income reexamination.

Verification requires a valid, original Social Security card issued by the Social Security Administration.

- HRHA will accept copies of the social security card *only* when it is necessary for HRHA to verify the continued eligibility of participant families by mail.
- See the verification section for further details.

Applicants may not become participants until the documentation is provided. The applicants will retain their position on the waiting list during the verification period.

Persons who disclose their social security number but cannot provide verification must sign a certification and provide verification within 60 calendar days. Elderly persons must provide verification within 120 calendar days.

New family members over six years of age will be required to have verifiable (or certifiable, as applicable) Social Security information when the change in family composition is reported by the family, whether that be at an annual or interim reexamination.

- The family must promptly notify the HRHA of its absence from the unit for more than 10 consecutive days
 - “Absence” means that no member of the tenant’s household is residing in the unit.

 - The HRHA will make a determination within five business days of the request
- An authorized absence may not exceed 180 days
- Any family absent for more than 10 days without having given the HRHA notice of its absence or more than 30 days without authorization will be terminated from the program.
- Authorized absences may include, but are not limited to:
 - Prolonged hospitalization

 - Has an addiction to a controlled substance, has a record of such an impairment, or is regarded as having such an impairment
 - Has recovered from such addiction and does not currently use or possess controlled substances
- Violent criminal activity includes any felonious criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person or property of another.
- For the purpose of this policy, if a member of the current family has been arrested at least twice within a 12-month period or convicted within the prior 60 months, they will be determined to have engaged in drug-related criminal activity or violent criminal activity.
- The household cannot be comprised of more than 50% full-time student (full-time as deemed by the school that the student is participating in).

HRHA will not be obligated to ferret out information concerning a family's criminal activities as part of the processing of an application for assistance. Initial screening will be limited to routine inquiries of the family and any other information provided to HRHA regarding this matter. The inquiries will be standardized and directed to all applicants by the inclusion of the inquiry on the application form.

Families who have been evicted from project-based housing, LINEWEAVER ANNEX or by HCV owners for engaging in these activities will be denied admission (including but not limited to project-based housing, LINEWEAVER ANNEX and housing subsidized under the Housing Choice Voucher program).

9.0 Managing the Waiting List

9.1 Opening and Closing the Waiting List

Opening of the waiting list will be announced with a public notice stating that applications for Lineweaver Annex will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for Lineweaver Annex. The notice will include the Fair Housing logo and slogan and will be compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 Organization of the Waiting List

The waiting list will be maintained in accordance with the following guidelines:

- The application will be a permanent file
- Any contacts between the Harrisonburg Redevelopment and Housing Authority (HRHA) and the applicant will be documented in the applicant file.

9.3 Updating the Waiting List

The waiting list will be updated annually to ensure that it is current and accurate. A notice will be mailed asking applicants to confirm their continued interest in receiving a housing choice voucher. Applicants with email addresses will also receive notice via email. All notices requiring a response will state that failure to respond within ten (10) business days will result in the applicant's name being removed from the waiting list.

9.4 Removal from the Waiting List

HRHA will remove an applicant from the Waiting List only in the following circumstances:

- Applicant requests in writing that their name be removed from the Waiting List
- Applicant does not meet eligibility or screening criteria for the program
- Applicant fails to respond within specified time limits to HRHA correspondence
 - If the applicant provides information that s/he did not respond to a notice because of a family member's disability, HRHA will reinstate the applicant at the original date and time of application
 - An extension of 10 business days to respond will be granted, if requested and needed, as a reasonable accommodation for a person with a disability
 - The family will be reinstated if there is any possibility the family was not notified due to circumstances that were beyond the family's control
- If a letter is returned by the Post Office without a forwarding address, the applicant will be removed without further notice, and the envelope and letter will be maintained in the file.

9.5 Missed Appointments

All applicants who fail to keep a scheduled appointment with the HRHA will be sent a notice of termination of the process for eligibility. In order to reschedule an appointment, the applicant must call prior to the originally scheduled appointment to request a second appointment.

The HRHA will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the HRHA will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 Notification of Negative Actions

Any applicant whose name is being removed from the waiting list will be notified by the HRHA, in writing, that they have 10 calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The HRHA system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the HRHA will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 Tenant Selection and Assignment Plan

10.1 Preferences

- Order of selection is determined by the date and time of the application
- Resident of City of Harrisonburg and Rockingham County
- Preferences are given to those applicants that are participating in the HRHA's Project Based Housing, HCV and other housing subsidy programs.

10.2 Assignment of Bedroom Sizes

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Rooms	Number of Persons	
	Minimum	Maximum
1	1	2

These standards are based on the assumption that each bedroom will accommodate no more than two persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

10.3 Selection from the Waiting List

If there are not enough low-income families on the waiting list, we will conduct outreach on a nondiscriminatory basis to attract low-income families to reach the statutory requirement.

10.4 Offer of a Unit

When the Harrisonburg Redevelopment and Housing Authority (HRHA) discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The HRHA will contact the family by letter to make the unit offer. The family will be given five business days from the date the letter was mailed to contact the HRHA regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the HRHA will send the family a letter documenting the offer and the rejection.

10.5 Rejection of a Unit

If in making the offer to the family the HRHA skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the HRHA did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.6 Acceptance of Unit

The family will be required to sign a lease that will become effective no later than three business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

The applicant will be provided a copy of the lease, the grievance procedure, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the HRHA will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing, which will not exceed one month's rent.

Security deposits will accrue interest at an annual rate of one percentage point (1%) below the Federal Reserve Discount Rate on January 1 of each year. However, no interest will be due and payable unless the deposit has been held for more than 13 months after the effective date of the lease.

In the case of a move within LINEWEAVER ANNEX, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the tenant. Conversely, if the security deposit is less, the difference will be refunded to the tenant.

In the event there are costs attributable to the tenant for bringing the first unit into condition for re-renting, not including normal wear and tear, the tenant will be billed for these charges.

11.0 Income, Exclusions from Income, and Deductions from Income

Specific information concerning income, exclusions from income and deductions from income for the determination of the Total Tenant Payment is available at the HRHA's Housing Choice Voucher Program Administrative plan.

12.0 Verification

The Harrisonburg Redevelopment and Housing Authority (HRHA) will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination will also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

13.0 Rent

13.1 Rent for Families Under the Noncitizen Rule

A mixed family, as defined in the glossary, will continue to receive full assistance if all of the following conditions are met:

- The family was receiving assistance on June 19, 1995
- The family was granted continuation of assistance before November 29, 1996
- The family's head or spouse has eligible immigration status

- The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three years. If granted after that date, the maximum period of time for assistance under the provision is 18 months. The Harrisonburg Redevelopment and Housing Authority (HRHA) will grant each family a period of six months to find suitable affordable housing. If the family cannot find suitable affordable housing, the HRHA will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the HRHA. The 95th percentile is called the maximum rent.
- Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.2 Paying Rent

Rent and other charges are due and payable on the first day of the month. All rents should be paid at **the Lineweaver Annex Property Management office located at 265 North Main Street, Harrisonburg, VA 22801**. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash will be accepted as a rent payment at the HRHA office.

HRHA is in the process of implementing a new rent payment process which will allow flexibility for tenants to pay their rent through a variety of different options. The new rent payment process will be implemented in 2023.

If the rent is not paid by the fifth of the month, a Late Rent Notice will be issued to the tenant. A late fee of 10% of the monthly rent will be charged to the tenant's account. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be

considered a non-payment of rent and will incur the late charge plus an additional charge of \$25 for processing costs the second or any additional times that a check is returned. HRHA has the option, at any time after a check is returned, to require that all subsequent payments be made by cashier's check, certified check, or money order.

14.0 Recertifications

Annual and interim recertification processes are outlined with the HRHA's Housing Choice Voucher Administrative plan.

15.0 Transfer Policy

15.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

- To address emergency situations.
- To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- To facilitate relocation when required for modernization or other management purposes.
- To facilitate relocation of families with inadequate housing accommodations.
- To provide an incentive for families to assist in meeting the Harrisonburg Redevelopment and Housing Authority's (HRHA) deconcentration goal.
- To eliminate vacancy loss and other expense due to unnecessary transfers.

15.2 Categories of Transfers

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category 3: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain HRHA occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the HRHA when a transfer is the only or best way of solving a serious problem.

15.3 Documentation

When the transfer is at the request of the family, the family may be required to provide the third party verification of the need for the transfer.

15.4 Incentive Transfers

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to scattered-site housing. Families approved for such transfers must meet the following eligibility criteria:

- Have been a tenant for three years
- For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least 35 hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities
- Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year whichever is less
- The family is current in the payment of all charges owed the HRHA and has not paid late rent for at least one year
- The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year
- The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff
- Participates in a series of classes conducted by the HRHA on basic home and yard care

15.5 Processing Transfers

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfer's category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two days of being informed the unit is ready to rent. The family will be allowed seven days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- If the transfer is being made at the request of the HRHA and the family rejects two offers without good cause, the HRHA will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the HRHA's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

15.6 Cost of the Family's Move

The cost of the transfer generally will be borne by the family in the following circumstances:

- When the transfer is made at the request of the family or by others on behalf of the family (i.e., by the police)
- When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller
- When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (the family without disabilities signed a statement to this effect prior to accepting the accessible unit)
- When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the HRHA in the following circumstances:

- When the transfer is needed in order to carry out rehabilitation activities
- When action or inaction by the HRHA has caused the unit to be unsafe or inhabitable

The responsibility for moving costs in other circumstances will be determined on a case-by-case basis.

15.7 Tenants in Good Standing

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the HRHA. This means the family must be in compliance with their lease, current in all payments to the HRHA, and must pass a housekeeping inspection.

15.8 Transfer Requests

A tenant may request a transfer at any time by making a written request. In considering the request, the HRHA may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The HRHA will review the request in a timely manner and if a meeting is desired, it will contact the tenant within 10 business days of receipt of the request to schedule a meeting.

The HRHA will grant or deny the transfer request in writing within 10 business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

15.9 Right of the Harrisonburg Redevelopment and Housing Authority in Transfer Policy

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

16.0 Inspections

An authorized representative of the Harrisonburg Redevelopment and Housing Authority (HRHA) and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the HRHA file and a copy given to the family member. An authorized HRHA representative will inspect the premises at the time the resident vacates and will furnish a statement of any

charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any HRHA damages to the unit.

16.1 Move-in Inspections

The HRHA and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file. The tenant must return the move-in inspection report within five days of taking possession of the unit.

16.2 Annual Inspections

The HRHA will inspect each Lineweaver Annex unit annually or biennially to ensure that each unit meets the HRHA's housing standards. Work orders will be submitted and completed to correct any deficiencies.

16.3 Preventative Maintenance Inspections

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks:

- weatherization;
- the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures;
- checks for leaks;
- and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

16.4 Special Inspections

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the HRHA.

16.5 Housekeeping Inspections

Generally, at the time of annual reexamination, or at other times as necessary, the HRHA will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

16.6 Notice of Inspection

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections the HRHA will give the tenant at least three days written notice.

16.7 Emergency Inspections

If any employee and/or agent of the HRHA has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

16.8 Pre-Move-Out Inspections

When a tenant gives notice that they intend to move, the HRHA will offer to schedule a pre-move-out inspection with the family. The inspection allows the HRHA to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the HRHA to ready units more quickly for the future occupants.

16.9 Move-Out Inspections

The HRHA conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

17.0 Pet Policy

17.1 Exclusions

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all Lineweaver Annex facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

17.2 Approval

Residents must have the prior approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request.

17.3 Types and Number of Pets

The following rules must be followed while owning a pet:

- Only one pet per unit allowed
- Only domesticated dogs, cats, birds, and fish in aquariums in units
- All dogs and cats must be neutered
- Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight-trained dogs will not be allowed
- No animal may exceed 35 pounds in weight

17.4 Vaccinations

In order to be registered, pets must be appropriately vaccinated against rabies and other conditions prescribed by local ordinances.

17.5 Pet Deposit

A pet deposit of \$150.00 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. No pet deposit is required for service animals.

17.6 Financial Obligation of Residents

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet's owner's unit will be the financial responsibility of the pet owner and the HRHA reserves the right to exterminate and charge the resident for any costs related to the extermination.

17.7 Nuisance or Threat to Health or Safety

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or HRHA personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance will result in the owner having to remove the pet or move him/herself.

17.8 Designation of Pet Areas

Pets must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the

grounds of the projects. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

17.9 Visiting Pets

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without HRHA approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

17.10 Removal of Pets

The HRHA or an appropriate community authority, will require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

18.0 Termination

18.1 Termination by Tenant

The tenant may terminate the lease at the end of the initial one-year term or at any time thereafter by submitting written notice at least 30 days before the effective termination date. If the tenant vacates prior to the end of the 30 days, the tenant will be responsible for rent through the end of the notice period.

18.2 Termination by The Housing Authority

The HRHA will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

- Nonpayment of rent or other charges due under the lease, including, without limitation, late charges, returned check fees, excess utility charges and certain repair and maintenance costs
- Repeated late payment of rent (i.e., four or more times within any 12-month period)
- Failure to fulfill the tenant's obligations in the lease
- Serious or repeated interferences with the rights of other residents
- Serious or repeated damage to the unit or any common area
- Failure to report a change of income, employment or household members within 14 days after such change or failure to timely provide any other information required under the lease
- Misrepresentation (intentional or unintentional) of any material fact in the application for housing, or in any statement submitted to the HRHA including, without limitation, statements submitted for rent redetermination
- Keeping an animal in the unit or on the premises without the HRHA's consent or in violation of the Pet Rules

- Alcohol abuse that the HRHA determines, in its sole discretion, interferes with the health, safety or right to peaceful enjoyment of the premises by residents of the neighborhood and surrounding area
- Verbal harassment or physical threat (whether in person, by telephone, electronically or by any other means) of or injury to Authority employees by the tenant, members of the tenant's household, the tenant's guests or other persons under the tenant's control
- Criminal activity by the tenant, members of the tenant's household, the tenant's guest or other persons under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the LINEWEAVER ANNEX premises by other residents, including violations of Harrisonburg City Code § 16-10-6 (noise ordinance)
- Fleeing to avoid prosecution, custody or confinement after conviction, for a felony by the tenant, members of the tenant's household, the tenant's guests or other persons under the tenant's control
- Violation by the tenant, members of the tenant's household, the tenant's guests or other persons under the tenant's control of a condition of probation or parole imposed under federal or state law
- Any drug-related criminal activity by the tenant or members of the tenant's household on or off the leased premises or any such activity by the tenant's guests or other persons under the tenant's control on or near the premises
- For refusal to accept an offer of a revised or amended lease at the time of renewal upon proper notice to the tenant
- The composition or income of the tenant's household changes such that the tenant is no longer eligible for occupancy in the unit
- Non-compliance with Non-Citizen Rule requirements

The HRHA will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program.

18.3 Abandonment

The HRHA may terminate any lease upon abandonment of the unit by the tenant, effective on the date of abandonment. If there is any question as to whether a tenant has abandoned the unit, the HRHA will send the tenant a written notice. The notice will require the tenant to inform the HRHA (in writing) that they intend to remain an occupant within seven days after the date of the HRHA's notice. The notice to the tenant will also inform the tenant that any personal property left in the unit will be disposed of within 24 hours after the seven-day period expires. If no response is received from the tenant after seven days from the date of the HRHA's notice, the lease will be terminated effective on that date. Any personal property left in the unit will be disposed of in any manner deemed appropriate. The tenant may, however, retrieve their property within the 24-hour period prior to disposal of the property. If the property is sold, any funds received will be applied against any amounts owed by the tenant to the HRHA, including costs of storing and selling the abandoned property. Any excess funds will be handled like a security deposit under Section 19.3.

18.4 Return of Security Deposit

Within 30 days after vacating the unit, the HRHA will return the balance of the tenant's security deposit together with any accrued interest. The HRHA will also decrease any deductions from the deposit and provide a statement itemizing any deductions provided that the tenant has given the HRHA a new address in writing. Deductions may be taken from the deposit to pay for any damages resulting from the tenant's failure to properly maintain the unit, failure to leave the unit clean and in good condition or otherwise fully complying with the terms of the lease. No deductions will be made from the deposit to cover costs of normal wear and tear or damages that existed when the tenant took occupancy of the unit.

19.0 Pest Management Program

The Harrisonburg Redevelopment and Housing Authority (HRHA) has a comprehensive pest management program for its residential units. This program includes an education program for tenants, monthly inspections of units, preventive treatment, and treatment of units. Tenants are required to participate in educational activities and comply with preventive and treatment requirements.

If an infestation is identified or reported, the HRHA will determine the validity of the infestation and schedule the unit for the appropriate treatment. The HRHA will be responsible for the preventive and treatment costs. Tenant will be charged for the cost of treatment if repeat treatment is required due to the tenant's behaviors (bringing infected items into their unit, not cleaning or maintaining unit to cleanliness levels), if it is determined that the tenant is the source of origin, and/or if the tenant fails to comply with the infestation treatment requirements. Any unit treated for infestation requires the tenant to complete pre-treatment activities. If the tenant does not comply with the pre-treatment requirements, they will be charged a \$250.00 fee.

20.0 Grievance Procedure

- **Purpose and Scope**

- This Grievance Procedure has been established to provide guidelines for Harrisonburg Redevelopment and Housing Authority (HRHA) residents in the just and effective settlement of grievances. As much as possible should be left to the mutual efforts of management and tenants, with both parties attempting to settle each grievance as quickly and justly as possible. This grievance procedure is incorporated into by reference all dwelling leases and will be furnished to all tenants and resident organizations. At least thirty (30) days' notice will be provided to tenants and resident organizations of any proposed changes to the grievance procedure, which will set forth the proposed changes and provide for an opportunity to present written comments, which will be considered by the HRHA before any revisions are made to the grievance procedure.

- **Applicability**

- Except as otherwise provided for in Section V.C., this Grievance Procedure shall be applicable to all individual grievances as defined in Section III.A. below, between the tenant and the HRHA. In those jurisdictions which require that, prior to eviction, a tenant be given a hearing in Court containing the elements of due process, the HRHA may exclude from its procedure any grievance concerning:
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees
 - Any violent or drug-related criminal activity on or off the premises
 - Any criminal activity that resulted in felony conviction of a household member.
- The HRHA reserves the right to amend any provision of this Grievance Procedure at any time with or without notice, as applicable, unless otherwise provided by federal, state or local law.

- **Definitions**

For the purpose of this Grievance Procedure, the following definitions are applicable:

- Grievance: “Grievance” shall mean any dispute which a tenant may have with respect to the HRHA’s action or failure to act in accordance with the individual tenant’s lease or the regulations of the HRHA, which adversely affect the individual tenant’s rights, duties, welfare or status, except as provided for in Section V.C. below.
- Complainant: “Complainant” shall mean any tenant whose grievance is presented to the HRHA’s Management Office, in accordance with Section V below.
- Tenant: “Tenant” will mean any adult person (other than live-in aide) who resides in the unit and who executed the Lease with the HRHA as lessee of the unit, or if no such person now resides in the unit, residents of the unit who is the remaining head of the household of the tenant family residing in the unit.
- Documents: “Documents” shall include records and regulations.
- Good Cause: “Good Cause” shall mean an unavoidable conflict that seriously affects the health, safety, or welfare of the tenant.

- **Informal Settlement of Grievance**

Any grievance must be personally presented, either orally or in writing, to the HRHA’s Management Office of the housing project in which the tenant resides, within 10 days after the occurrence giving rise to the grievance, so that the grievance may be discussed informally, and an attempt can be made to settle the grievance without a formal hearing. As soon as the grievance is received, it will be reviewed by the HRHA to ascertain that the event qualifies as a grievable issue. If the matter is not grievable, the tenant will be notified in writing that the matter raised is not subject to the HRHA’s grievance procedure, with the reasons therefor stated.

If the matter falls under the grievance procedure, the tenant will be contacted to arrange a mutually convenient time within 10 business days to meet so the grievance may be discussed informally and settled without a hearing. Within a reasonable time, not in excess of 10 business days after presentation of the grievance, a summary of the informal discussion will be prepared by the HRHA, and a copy thereof shall be provided to the tenant and one retained in the tenant’s file. The summary will be in writing and specify the names of the participants, dates of meeting, the nature of the proposed disposition of the grievance, and the specific reasons therefor, and will specify the procedures by which the tenant may obtain a hearing if

he/she is not satisfied by the proposed disposition of the grievance.

- **Procedure to Obtain a Formal Hearing**

- Obtaining a Hearing: If the tenant is dissatisfied with the settlement arrived at in the informal hearing, the tenant must submit a written request for a formal hearing to the HRHA no later than **10 days** after the summary of the informal settlement hearing is received. The written request shall specify:
 - The reason for the grievance
 - The action of relief sought from the HRHA
 - Several dates and times in the following 10 business days when the tenant can attend a grievance hearing.
- When Hearing Required: The HRHA must give tenant an opportunity for a formal hearing to evaluate whether the following the HRHA decisions relating to the tenant's individual circumstances are in accordance with the law, HUD regulations, and the HRHA's policies, as follows:
 - A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
 - A determination of the appropriate utility allowance (if any)
 - A determination of the family unit size under the HRHA's subsidy standards
 - A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the HRHA's subsidy standards, or the HRHA's determination to deny the Tenant's request for an exception from the standards
 - A determination to terminate assistance (if applicable) for the Tenant because of the Tenant's action or failure to act
 - A determination to terminate assistance because the Tenant has been absent from the leased premises for longer than the maximum period permitted under the lease agreement

The HRHA must give the opportunity for a formal hearing before the HRHA terminates housing assistance payments (if applicable) for the tenant under an outstanding HAP contract under Sections V.B.4. through B.6. above (if applicable).

- Eligibility or Amount of Assistance Determinations: When the HRHA makes a decision regarding the eligibility and/or the amount of assistance for tenants, the tenants must be notified in writing. The HRHA will give the tenant prompt notice of such determinations, which notice will include:
 - The proposed action or decision of the HRHA
 - The date the proposed action or decision will take place
 - The Tenant’s right to an explanation of the basis for the HRHA ’s decision
 - The procedures for requesting a hearing if the tenant disputes the action or decision
 - The time limit for requesting the hearing
 - To whom the hearing request should be addressed.
- When Hearing Not Required: The HRHA is not required to provide the tenant an opportunity for a hearing for the following:
 - Discretionary administrative determinations by the HRHA
 - General policy issues or class grievances
 - Establishment of the HRHA schedule of utility allowances for tenants in the program
 - An Authority determination not to approve an extension or suspension of a voucher term
 - An Authority determination not to approve a unit or tenant
 - An Authority determination that an assisted unit is not in compliance with Housing Quality Standards (“HQS”). (However, the HRHA must provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the tenant, as pursuant to the lease agreement)
 - An HRHA determination that the leased premises is not in accordance with HQS because of the family size
 - A determination by the HRHA to exercise or not to exercise any right or remedy against the owner under a HAP contract (if applicable)
 - Disputes between tenants not involving the HRHA.
- Notice to Tenant:
 - In grievances involving matters in Sections V.B.1. through B.3., the HRHA must notify the tenant that the tenant may ask for an explanation of the basis of the

- HRHA determination, and that if the tenant does not agree with the determination, the tenant may request a formal hearing on the decision.
- In grievances involving matters in Sections V.B.4. through B.6., the HRHA must give the tenant prompt written notice that the tenant may request a formal hearing. The notice must include:
 - A brief statement of the reasons for the decision
 - A statement that if the tenant does not agree with the decision, the tenant may request an informal hearing on the decision
 - State the deadline for the tenant to request hearing.
 - Selection of Hearing Officer: Grievances will be presented before a hearing officer or panel. A hearing officer or panel will be appointed by the HRHA. The hearing officer shall not be the person who made or approved the decision, or a subordinate of that person. The hearing officer or panel who conducts the hearing may regulate the conduct of the hearing in accordance with the HRHA's hearing procedures, as set forth in Section VI of this Grievance Procedure.
 - Failure to Request a Hearing: If the tenant does not request a hearing in accordance with this Section V then the HRHA's disposition of the grievance under this Section V shall become final, provided that failure to request a hearing will not constitute a waiver by the tenant of his/her right thereafter to contest the HRHA's action in disposing of the tenant in an appropriate judicial proceeding.
 - Hearing Prerequisite: All grievances will be personally presented, either orally or in writing, pursuant to the procedure prescribed in this Section V, as a condition precedent to a hearing under this section, provided, that if the tenant will show good cause why he/she failed to proceed in accordance with this Section V to the hearing officer, the provisions of this subsection may be waived by the hearing officer.
 - Escrow Deposit: Before a hearing is scheduled in any grievance involving the amount of rent, as defined in the lease agreement, which the HRHA claims is due, the tenant will pay to the HRHA an amount equal to the amount of rent due and payable as of the first of the month preceding the month in which the

act or failure to act took place. The tenant will thereafter deposit the same amount of the monthly rent in an escrow account monthly until the complaint is resolved by decision of the hearing officer. These requirements may be waived by the HRHA in extenuating circumstances. Unless so waived, the failure to make such payments will result in a termination of the grievance procedure, provided that failure to make payment will not constitute a waiver of any right the tenant may have to contest the HRHA's disposition of his grievance in any appropriate judicial proceeding.

- Scheduling of Hearings: When the HRHA receives a request for a formal hearing, a hearing will be scheduled within in 10 business days. The notification of the hearing will contain, notwithstanding anything to the contrary:
 - The date and time of the hearing.
 - The location where the hearing will be held.
 - The family's right to bring evidence, witnesses, legal or other representation at the family's expense.
 - The right to view any documents or evidence in the possession of the HRHA upon which the HRHA based the proposed action and, at the tenant's expense, to obtain a copy of such documents prior to the hearing.
 - A notice to the tenant that the HRHA will request a copy of any documents or evidence the tenant will use at the hearing.
 - The HRHA's hearing or grievance procedures.
- Failure to Appear: If the Tenant or HRHA fails to appear at the scheduled hearing, the hearing officer or panel may make a determination to postpone the hearing for not to exceed five (5) days or make the determination that the party has waived its right to a hearing. Both the Tenant and HRHA will be notified of the determination by the hearing officer or panel; however, a determination that the Tenant has waived his/her right to a hearing will not constitute a waiver of any right the Tenant may have to contest the HRHA's disposition in court.

- **Procedures Governing the Hearing**

- Hearing Officer: The hearing will be held before a hearing officer or panel of hearing officers.
- Hearing Procedures: As set forth in the Administrative Plan, the following hearing procedures shall be followed:
 - The hearing will concern only the issues for which the Tenant has received the opportunity for the formal hearing.
 - No documents may be presented which have not been provided to the other party before the hearing if requested by the other party.
 - The hearing officer may ask the Tenant for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision.
 - If the Tenant misses an appointment or deadline ordered by the hearing officer, the action of the HRHA will take effect and another hearing will not be granted. The hearing officer will determine whether the action, inaction, or decision of the HRHA is legal in accordance with HUD regulations and the Administrative Plan based upon the evidence and testimony provided at the informal hearing. Factual determinations relating to the individual circumstances of the Tenant will be based on a preponderance of the evidence presented at the informal hearing.
 - At the hearing, the Tenant must first make a showing of an entitlement to the relief sought, and thereafter the HRHA must sustain the burden of justifying the HRHA's action or failure to act against which the complaint is directed.
 - The hearing will be conducted informally by the hearing officer, and oral or documentary evidence pertinent to the facts and issues raised by the complaint, may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings. The hearing officer will require the HRHA, the tenant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer or hearing panel to obtain order may result in exclusion from the proceedings or in a

decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

- Fair Hearing for Tenant: The tenant will be afforded a fair hearing, providing the basic safeguards of due process, which will include:
 - The opportunity to examine before the hearing, and, at the expense of the Tenant, to copy all documents, records and regulations of the HRHA that are relevant to the hearing
 - The right to be represented by counsel or another person chosen as his/her representative at his/her own expense
 - The right to a private hearing unless the tenant requests a public hearing
 - The right to present evidence and arguments in support of his or her complaint to controvert evidence relied on by the HRHA or management relies
 - Present any information or witnesses or question any witnesses pertinent to the issue of the hearing
 - Request that the HRHA's staff be available to present at the hearing to answer questions pertinent to the case
 - A decision based solely and exclusively upon the facts presented at the hearing.
- HRHA's Rights: Notwithstanding any other rights contained in this Grievance Procedure and the Administrative Plan, the HRHA has a right to:
 - Present evidence, witnesses and any information pertinent to the issue at the informal hearing
 - Be notified if the tenant intends to be represented by legal counsel, an advocate, or other party
 - Examine and copy any documents to be used by the tenant prior to the informal hearing
 - Have its attorney present at the hearing
 - Have staff persons and other witnesses familiar with the case present at the hearing.

- Rescheduling of Hearing: After the hearing date is set, the tenant may request to reschedule only upon showing good cause.
- Transcript of the Hearing: The tenant or the HRHA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. An interested party may purchase a copy of such transcript.
- Accommodation: The HRHA will provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants.

I. Decision of the Hearing Officer

- Decision: The hearing officer will prepare a written decision within 10 business days after the hearing and will include:
 - A clear summary of the decision and the reasons for the decision
 - If the decision involves money owed, the amount owed and documentation of the calculation of the monies owed and
 - The date the decision goes into effect.
- Copies of the Decision: A copy of the decision will be sent to the tenant and the HRHA. The HRHA will retain a copy of the decision in the tenant's folder. A copy of such decision, with all names and identifying references deleted, will be maintained on file by the HRHA and made available for inspection by a prospective tenant, his/her representative, or the hearing officer.
- Binding Effect of Hearing decisions: The decision of the hearing officer or panel will be binding on the HRHA, which will take all actions, or refrain from any actions, necessary to carry out the decision, unless the HRHA Board of Commissioners within a reasonable time, not to exceed 10 business days, determines that:
 - the grievance does not concern the HRHA action or failure to act in accordance with or involving the tenant's lease or the HRHA regulations which adversely affect the tenant's rights, duties, welfare, or status
 - the grievance concerns matters in which the HRHA is not required to provide an opportunity for a hearing
 - the decision conflicts with or contradicts federal, state, or local regulations or requirements

- the decision conflicts with or contradicts HUD regulations or requirements
- the decision exceeds the HRHA of the person conducting the hearing.

The HRHA will be bound, unless it is determined that the HRHA is not bound by the hearing officer's determination and the HRHA sends a letter to the tenant within 10 business days of the hearing officer's notification to the tenant. The letter will include the HRHA's reasons for the decision as stated above.

A decision by the hearing officer in favor of the HRHA or which denies the relief requested by the tenant in whole or in part will not constitute a waiver of, nor affect in any manner whatever, any rights the tenant may have to a trial de novo or judicial proceedings, which may thereafter be brought in the matter.

II. Harrisonburg Redevelopment and Housing (HRHA) Eviction Actions

If a tenant has requested a hearing in accordance with Section V on a complaint involving a notice of termination of the tenancy, and the hearing officer upholds the HRHA's action to terminate the tenancy, the HRHA will not commence an eviction action in a state or local court until it has served a notice to vacate on the tenant, and in no event will the notice to vacate be issued prior to the decision of the hearing officer having been mailed or delivered to the tenant. Such notice to vacate must be in writing and specify that if the tenant fails to quit the premises within the applicable statutory period, or by the termination date stated in the notice of termination, whichever is later, appropriate action will be brought against him/her and he/she may be required to pay court costs and attorney's fees.

21.0 No Smoking Policy

All of the terms and provisions of this No Smoking Policy are specifically made a part of the lease and handbook for the property known as Lineweaver Annex Apartments.

Scope: This policy applies to any and all persons living in the Harrisonburg Redevelopment and Housing Authority (HRHA) properties, including residents, their guests and visitors, and to all persons entering HRHA properties, including contractors and employees.

Purpose: HRHA desires to mitigate:

- The irritation and know health effects of secondhand smoke
- The increase maintenance, cleaning, and redecoration costs caused by smoking and its effects
- The increased risk of fire from smoking
- The higher cost of fire insurance for a non-smoke free building

Definitions:

- "Smoking" is defined as inhaling, exhaling, breathing, or carrying any lit cigar, cigarette, pipe, or other tobacco or other substances or similar products, in any manner and in any form. Smoking also includes use of an electronic cigarette and vapor products.
- The term "electronic cigarette" means any electronic device that provides a vapor of liquid nicotine and/or other substances to the uses as he or she simulates smoking. The term shall include such devices, whether they are manufactured or referred to as cigarettes, cigars, pipes, or under any other similar products name.
- "Common areas" are all areas open to the public, including, but not limited to, entryways, community patios or balconies, roof terraces, lobbies, hallways, elevators, management offices, public restrooms, community rooms, parking area, and any other area of the building that is accessible to residence, guests, and employees

Policy:

- **Smoke-Free Complex.** Tenant agrees and acknowledges that the occupied premises by tenant and members of tenant's household have been designated as a smoke-free living. Tenant and members of tenant's household shall not smoke anywhere in the unit rented by tenant, in the building where tenant's dwelling is located, in any of the common areas or adjoining grounds of such building or other parts of the rental community. Tenant shall not permit any guests or visitors under control of tenant to do so. As such, smoking is not permitted anywhere on the premises, including, but not limited to:
 - a. Any dwelling unit, including, but not limited to, bedrooms, hallways, kitchens, bathroom, patios, balconies, unit entryway areas, and leased exterior spaces
 - b. In the common areas of any HRHA building, community, common area, or facility.
- **Notice.** HRHA staff shall inform current residents, new applicants on a waiting list, employees, and contractors of this new policy. HRHA staff shall also post "No Smoking" signs at entrances and exits, common areas, common hallways, etc., and enforce compliance with this policy. All HRHA properties will be designated and marketed as smoke-free.
- **Tenant to Promote No-Smoking Policy and to Alert Landlord of Violations.** Tenants shall inform Tenants' guests of the no-smoking policy. Further, Tenants shall promptly give the landlord a written statement of any incident where tobacco or other smoke is migrating into the tenant's unit from sources outside of the tenant's apartment unit or any observed violations of this policy by other tenants.
- **Landlord Not a Guarantor of a Smoke-Free Environment.** Tenant acknowledges that HRHA's adoption of a smoke-free living environment, and the efforts to designate the rental complex as smoke-free, do not make the Landlord or any of its managing agents the guarantor of Tenant's health or of the smoke-free condition of the tenant's unit and the common areas. HRHA shall take all reasonable steps to enforce the smoke-free terms of its leases and to make its properties smoke-free. HRHA is not required to take steps in response to smoking unless it knows of such smoking and has been given written notice of the smoking violation. HRHA relies on tenants to assist in the compliance with this policy.
- **Effect of Breach and Right to Terminate Lease.** A material breach of the Lease Addendum and Smoke-Free Policy shall be a material breach of the Lease and grounds for immediate termination of the Lease. Tenants shall be financially responsible for restoring the unit back to rentable condition if they smoke or allow their guests to smoke in their unit, causing damage above normal wear and tear.
- **Disclaimer.** Tenant acknowledges that HRHA's adoption of a smoke-free living environment and the efforts to designate the rental complex as smoke-free do not in any way change the standard of care that HRHA or the managing agent would have to a tenant household to render buildings and premises designated as smoke free in a safer, more habitable, or improved in terms of air quality standards than any other rental premises. HRHA specifically disclaims any implied or express warranties that the building, common areas, or tenants' premises will have any higher or improved air quality standards than any other rental property. HRHA cannot and does not warranty or promise that the rental premises or common areas will be free from second-hand smoke. Tenant acknowledges that HRHA ability to police, monitor, and/or enforce the provisions of the Lease Addendum and Smoke Free Policy is dependent in significant part upon voluntary compliance by Tenants and Tenants' guests, as well as reporting by Tenants of observed violations. Tenants with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that HRHA does not

assume any higher duty of care to enforce this Lease Addendum or Smoke Free Policy than any other landlord obligation under the Lease.

- **Effect on Current Tenants.** Tenants acknowledge that current tenants residing in HRHA properties under a prior lease will not be immediately subject to the Smoke Free Policy. As current tenants move out or enter into new leases or renew leases, the smoke-free policy will become effective for their unit and new lease.
- **Violation of Policy.** Tenants acknowledge and agree that failure to comply with the terms of the Lease Addendum and/or Smoke Free Policy shall be cause for lease enforcement action, including eviction.

22.0 Violence Against Women Act (VAWA) Policy

All of the terms and provisions of this policy are specifically made part of the Lease and Handbook for the property known as Lineweaver Annex.

VAWA means the Violence Against Women Act of 1994, as amended (42 U.S.C. 13925 and 42 U.S.C. 14043e et seq.), including provisions of the Violence Against Women and Reauthorization Act of 2013 (VAWA 2013). This policy will refer simply to VAWA.

VAWA protections are not limited to women; they cover all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Any updates in HUD policies that are not reflected below will have precedence over this policy in cases where there is conflicting information.

- **Scope:** This policy applies to any and all persons living in properties owned by The Harrisonburg Redevelopment and Housing Authority (HRHA) and its affiliates, including without limitation, Lineweaver Annex, LLC.
- **Purpose:** HRHA's policy relating to domestic violence is being amended to include updated VAWA provisions, including several key changes relating to housing protections for victims of domestic violence, dating violence, sexual assault, or stalking, including an emergency transfer plan, as applicable, these updates shall be incorporated into the Lease.

22.1 Definitions

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: The duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Affiliated individual, with respect to an individual, means: (1) A spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or (2) Any individual, tenant, or lawful occupant living in the household of that individual.

Bifurcate means to divide a lease as a matter of law, subject to the permissibility of such process under the requirements of the applicable HUD-covered program and State or local law, such that certain tenants or lawful occupants can be evicted or removed, and the

remaining tenants or lawful occupants can continue to reside in the unit under the same lease requirements or as may be revised depending upon the eligibility for continued occupancy of the remaining tenants and lawful occupants.

Dating violence means violence committed by a person: (1) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and (2) Where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) The length of the relationship; (ii) The type of relationship; and (iii) The frequency of interaction between the persons involved in the relationship.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. The term "spouse or intimate partner of the victim" includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

Sexual assault means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (1) Fear for the person's individual safety or the safety of others; or (2) Suffer substantial emotional distress.

22.2 Policy relating to VAWA Protections:

1. VAWA 2013 expands housing protections to victims of sexual assault. VAWA 2013 expands protections relating to the prohibition of terminating assistance because of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking. VAWA 2013 expands the notification requirements. VAWA 2013 also expands the forms of documentation a victim may provide and provides that the victim is required to provide the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim.
2. HRHA will not consider an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking as serious or repeated violations of the Lease or other "good cause" for termination of the assistance, tenancy, or occupancy rights of such a victim.
3. Criminal activity directly relating to abuse, engaged in by a member of tenant's household, or any guests or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an affiliated individual of the tenant is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking. VAWA 2013 defines "affiliated individual" as a spouse, parent, brother, sister, or child of that individual, or an individual to whom that

individual stands in *loco parentis*, or any individual, tenant, or lawful occupant living in the household of that individual.

4. Notwithstanding any restrictions on admission, occupancy, or termination of occupancy or assistance, or any federal, state, or local law to the contrary, HRHA may bifurcate a lease, or otherwise remove a household member from the lease, without regard to whether a household member is a signatory to the lease in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be affected in accordance with the procedures prescribed by federal, state, and local law for the termination of leases or assistance under the housing choice voucher program, as applicable. If bifurcation occurs, and the removed tenant or lawful occupant was the sole Tenant eligible to receive assistance under a covered housing program, HRHA shall provide any remaining tenant the opportunity to establish eligibility for the covered housing program. If the remaining Tenant cannot establish eligibility, HRHA shall provide the tenant a reasonable time to find new housing or to establish eligibility under another covered housing program.
5. Nothing in this policy may be construed to limit the authority of HRHA, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
6. Nothing in this policy limits any otherwise available authority of HRHA to evict or terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the Tenant's household, provided that HRHA will not subject an individual who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate.
7. Nothing in this policy may be construed to limit HRHA's authority to evict or to terminate the assistance to any tenant if HRHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to HRHA's properties if the tenant is not evicted or terminated from assistance. An actual and imminent threat consists of physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time, before the potential harm would occur. In this context, words, gestures, actions, or other indicators will be considered an actual imminent threat if they meet the standards provided herein.
8. Nothing in this policy shall be construed to supersede any provision of any federal, state, or local law that provides greater protection than this section for victims of domestic violence, dating violence, sexual assault, or stalking.

9. In case of any conflicts between the provisions of this Policy and other sections of the Lease and/or Handbook, the provisions of this policy shall prevail.
10. Tenants who are actual or imminent victims of domestic violence shall be permitted to transfer upon request to another available and safe dwelling unit or to a dwelling unit assisted under HRHA. Upon request, HRHA will provide the HRHA Emergency Transfer Plan (form HUD-5381) and Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (form HUD-5383).

22.3 Documentation of Domestic Violence

The Harrisonburg Redevelopment and Housing Authority (HRHA) may request in writing that the victim or a family member on the victim's behalf certify that the individual is a victim of abuse. These documents may include:

- The VAWA Certification (form HUD-5382)
- A record of a Federal, State, or local law enforcement agency, court, or administrative agency or
- A document signed by the victim and a professional representative (employer, agent, volunteer of a victim service provider, an attorney, or medical professional, or mental health professional) from whom the victim has sought assistance related to the VAWA-covered action, that specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under this subpart, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking under HUD's regulations at 24 CFR § 5.2003.

The victim is required to provide the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. Any information submitted to HRHA will be maintained in strict confidence. HRHA will not disclose this information to any other entity or individual unless the disclosure is required for use in an eviction proceeding or hearing regarding termination of assistance; the individual requests in writing with a time-limited release; or if the disclosure is otherwise required by applicable law. The certification must be completed and submitted within 14 business days, or an agreed upon extension date, to receive protection under the VAWA. Failure to provide a certification or other supporting documentation within the specified time frame may result in denial of admission/assistance, termination of assistance, and/or eviction. If the documentation received by HRHA contains conflicting information (including certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator), HRHA may require third party documentation to be submitted within 30 calendar days of any request.

22.4 VAWA Notifications

The HRHA will provide to each applicant and participant:

- "Notice of Occupancy Rights under the Violence Against Women Act," (form HUD-5380) that explains the VAWA protections, including the right to confidentiality, and any limitations on those protections

- A certification form (form HUD-5382), to be completed by the victim to document an incident of domestic violence, dating violence, sexual assault or stalking.

As required, the notice and certification form are provided to applicants and participants, in multiple languages as needed in consistency with HUD's Limited English Proficiency requirements at the following times:

- At the time an applicant is denied assistance or admission to the HCV Program
- At the time the individual is provided assistance or admission to the HCV Program
- With any notification of eviction or notification of termination of assistance
- All participating families, either during their 2017 annual recertification or at other times in the year.

22.5 Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Emergency Transfers

The HRHA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),¹ HRHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.² The ability of HRHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether HRHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees compliance with VAWA.

¹ Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer. A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify HRHA's management office and submit a written request for a transfer to 286 Kelley Street, Harrisonburg, Virginia, or P.O. Box 1071, Harrisonburg, VA 22803

HRHA will provide reasonable accommodations to this policy for individuals with disabilities.

The tenant's written request for an emergency transfer should include either:

- A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under HRHA's program
- A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Confidentiality

HRHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives HRHA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about HRHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

HRHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. HRHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed

transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. HRHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If HRHA has no safe and available units for which a tenant who needs an emergency is eligible, HRHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, HRHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.
